Re: Letter of Intent – Use of Exemption No. 18995; Docket No. FAA-2021-0706

Dear Sir or Madame:

In accordance with Exemption No. 18995, and due to the contributing factors limiting supply of ammonia inhalants, please accept this as Atlas Air's letter of intent to utilize the above referenced exemption allowing relief from 121.803(c)(1) and Appendix A as they apply to onboard first-aid kits.

This letter affirms our intentions to exercise the relief granted in accordance with all conditions and limitations of the exemption. A separate request for Operations Specification A005 authorization along with a copy of this letter has been submitted to our Principal Operations Inspector. Please feel free to contact me if additional information is required.

Sincerely,

*Michael A Giordano*
